All media members are required to apply for credentials on a **game-by-game** basis. Please be advised that outlets may be limited to only two writers and one photographer per game. Again, credential requests for each game will close at 3 p.m. the day prior to the game.

### **WOMEN'S BASKETBALL SCHEDULE**

**Clemson's philosophy is to include as many outlets as possible in the press section (sec. 232) and therefore, presently plans to limit each outlet to just two on-site writers and one photographer. It is the responsibility of the outlet to determine the requested on-site representatives of the organization.**

Per the Clemson University Athletics Media Credential Policy formally introduced in 2018, Clemson Athletics may prioritize press level (sec. 232) credential requests for writers using the following criteria, among others:

1. Full-time local beat reporters who cover the team on a daily basis for large-scale local outlets, including newspapers and wire services that cover Clemson Athletics on a regular basis.
2. Large-scale national outlets, including national newspapers, websites, and more.

3. University-recognized student publications and student outlets that provide regular coverage of Clemson Athletics.

4. Eligible online-only outlets, with preference given to sites utilizing full-time journalists. Outlets' affiliations with larger, national networks and the breadth and frequency of their editorial content will also be taken into consideration when prioritizing amongst online-only outlets.

### **CUAD MEDIA CREDENTIAL POLICY**

The Clemson University Athletics Media Policy is available at [ClemsonTigers.com/MediaPolicy](https://ClemsonTigers.com/MediaPolicy). The policy details credential eligibility and issuance priority for national and local outlets that cover Clemson Basketball or its opponents on a regular basis. All credential approvals are made on a game-by-game basis independent of previous approvals and/or denials, and credential decisions for each contest are not beholden to prior credentialing precedents. Due to space limitations, credential quantities may be limited to a number lower than the total requested.

All credential requests will be filled on a space-available basis. Non-working spouses, dates, relatives, non-workers and anyone 16 years of age or younger are not permitted in the press box.

Media credential holders in the press box who are not actively covering the game, or credential wearers on the baseline who are not on assignment, will be asked to leave those respected areas. Press box or baseline security will be contacted should the credential wearer not comply. Credentials used in unauthorized manner will be revoked immediately, and organizations responsible for credentials falling into improper hands will have credentials revoked for the rest of the year or the succeeding year, at the university's discretion.

### **CREDENTIAL PICKUP AND ENTRANCES**

*Credential Pickup:* Credentials must be picked up on game day. Credentials will not be available by mail this season.

**All media must enter through the loading dock entrance to Littlejohn Coliseum (located off of Avenue of Champions).**

### **PARKING**

With the exception of the Avenue of Champions and the ADA lot on the north side of Littlejohn Coliseum, all parking for women's basketball games is general admission.

### **PRESS LEVEL OPERATIONS**

The press level will open one hour and 30 minutes before tipoff. Media credentials for 2025-26 will allow access only to the press level (sec. 232) and postgame press room and do not provide access to the stands, suites, clubs, court (unless you are the designated photographer from your outlet), tunnel or other arena areas. Once a media member has checked in through the Southwest Entrance of Burton Gallery, re-entry will not be permitted to the press level. Set press level closing times will be enforced and will be communicated each week.

Concession vouchers will be provided for media in attendance.

Clemson will not provide printed materials such as game notes or statistics. Such information will be made available online.

### **PHOTOGRAPHER COURT ACCESS**

Each media outlet will be granted one spot as it pertains to baseline photography for the 2025-26 men's basketball season. Outlets should submit their photo credential with their media credentials on a single-game basis this season. There will be assigned seats on the baseline for games – please see the seating chart in the press room.

Photographers may enter through the loading dock entrance on the South side of Littlejohn Coliseum.

### **PHOTO WORK ROOM**

A limited number of workspaces are available in the visitor locker room hallway outside of a draped area. Clemson will prioritize these locations pursuant to the priority list mentioned above.

### **POSTGAME**

Postgame availability will take place in the Littlejohn Coliseum press room. The traditional order will be opposing coach/players, Clemson players, and lastly Head Coach Shawn Poppie.

### **WEEKLY PROTOCOLS**

All weekday media availability will be conducted in-person when possible and virtually by Zoom, including player and head coach availability. Participation will be limited to outlets that would qualify for credentialed access.
